

**Subject:** Oil- and Fuel hose assemblys

**Affected engine models:** All engine models:

- L 1700
- L 2000
- L 2400

**Background information:** Change of material specification, improved quality of hoses.

**Priority:** None

**Compliance:** Fuel- and Oil hoses manufactured by Limbach Flugmotoren GmbH & Co. KG have an extended service life of 5 years. The expiration date is inscribed on the crimp-on clamp at the end of the hose. The markings have the format MM/YY. As an exemple the marking 04/02 would mean that the hose must be replaced until april 2002.

**Note:** Only the expiration date engraved on the clamp is valid. Old hoses are not affected by this bulletin. Correct the operating manual accordingly in handwriting.

This document has been translated to the best of our knowledge. In case of doubt however only the German original shall be considered authoritative.

**Approval:** This Technical Bulletin is approved in accordance with the procedures of the LBA approved development organization I-EC 27.
